Make the Will you've been meaning to – free, online with Bequeathed

The simple way to make the right Will for you

We all need an up-to-date Will, but it's one of those jobs many of us put off. With Bequeathed, you can get started straight away. Just go online any time that suits you and they'll take you through the process – step by step.

Best of all it's a free service.

You get all the support and guidance you need to make your Will online. And they'll also help you to identify issues where you might benefit from legal advice.

If you do need legal advice at any stage, just ask. Bequeathed will connect you with one of their partner solicitors, who'll give you a price for completing your Will either face-to-face or over the phone.

Please consider remembering Liverpool charities

You really can make a difference!

Without gifts in Wills, much of the fantastic charitable work that takes place across Liverpool and Merseyside simply wouldn't happen.

Great things can be achieved if we remember a favourite local charity in our Will.

You can make a real difference to the good causes in Liverpool:

Bradbury Fields Services for Blind and Partially Sighted People, Bluecoat, Liverpool Charity and Voluntary Service, Marie Curie, Liverpool Sunflowers, University of Liverpool, The Walton Centre Charity, The Whitechapel Centre, Zoe's Place Baby Hospice

Your online Will is free no matter what. There's no obligation to include a gift to any charity when you use Bequeathed to make your Will. But many people do choose to leave a gift to a cause they're passionate about.

Each of the charities above would be absolutely delighted if you'd consider supporting them in this special way.
