## Weddings at Bradbury Fields

Thank you for your interest in holding your wedding at Bradbury Fields. By choosing Bradbury Fields as your wedding venue you would be directly supporting our charitable work with local blind and partially sighted people. We have an experienced hospitality organiser who will work with you to ensure your day is planned to perfection.

Our Garden Suite comprises three rooms. The largest, the Iris Conservatory, can comfortably seat 50 people in a variety of layouts. You have a choice of circular or square tables and we can dress the tables with white linen cloths and napkins to co-ordinate with your colour theme. The two smaller conservatories can be used to set up buffets or as breakout spaces. In warm weather the rooms open-up to large landscaped gardens with outdoor seating, ideal for taking photographs of your special day. Our Kennels Bar is well stocked and we can organise a drinks reception for your guests to enjoy as they arrive. Drinks receptions can be held in our garden weather permitting. Our venue is fully accessible and ideal for a more intimate wedding.

All our food is freshly prepared in house and we can cater for a formal four course wedding breakfast and hot and cold buffets. We have a 5-star food hygiene rating and can cater for Vegetarians, Vegans and all dietary requirements.

You are free to hire your own entertainment – singer, band, disco, karaoke, string quartet or choose from our recommended suppliers list. We have our own PA System for speeches and you are welcome to bring your own CD's.

We are located 4 miles from Liverpool City Centre just off the A57 East Prescott Road within reach of the M62 and M57 Motorways. There are good local bus services and we have a private car park with space for 40 vehicles. We can supply a map to help your guests locate us.

Iris Conservatory Special Occasion Dining

Kennels – our fully licensed bar.

Rustic tie backs can be added to our banqueting chairs for a Country Living look.

Napkins and tie backs can be co-ordinated with your own colour scheme.
